

Israel Energy & Business Convention 2014

November 3-4, Dan Panorama Hotel, Tel Aviv

Monday, November 3, 2014

08:00 – 09:00 Gathering, breakfast and visit to the exhibition

Chairman: **Dr. Amit Mor**, CEO, Eco Energy, Financial & Strategic Consulting

09:00 – 11:00

Opening plenum: Israel and the international energy economy and the implications of Protective Edge operation – strategic, geopolitical and economics targets

Opening lecture: **Dr. Amit Mor**, CEO, Eco Energy, Financial & Strategic Consulting

Ambassador **Daniel B. Shapiro**, United States ambassador to Israel

Dr. Eran Lerman, Deputy National Security Advisor, Prime Minister's Office

Mr. Ozdil Nami, Minister of Foreign Affairs, Turkish Republic of Northern Cyprus

Mr. Gideon Tadmor, CEO, Avner Oil & Gas and Delek Drilling Chairman

Ceremony of the Man of the Year in the Energy Economy

Exploration and production of oil and natural gas – challenges and obstacles

- Development of Tamar SW and Leviathan fields – and what next?
- Oil and gas explorations in the region – will the exploration momentum in Israel continue?

- What is the likelihood of discovering significant quantities of conventional oil offshore and onshore Israel?

Mr. **Alexander Varshavsky**, Petroleum Commissioner, Department of Natural Resources, Ministry of National Infrastructures, Energy & Water Resources

Mr. **Bini Zomer**, CEO, Noble Energy Israel

Mr. **Ron Maor**, CEO, Modiin Energy

11:00 – 11:30 Coffee break and visit to the exhibition

11:30 – 13:30

Regional cooperation and natural gas export possibilities – globalization and new markets

Mr. **Amos Hochstein**, Special Envoy & Coordinator, Bureau of Energy Resources, U.S. Department of State, Washington, D.C.

- Can Israeli gas exports serve as a foundation for strengthening stability and peace in the region?
- Will Israel export gas to Egypt?
- Will it be possible to export gas to the Palestinian Authority and Jordan?
- Will gas export to Turkey be possible?
- FLNG - will Israel be among the world pioneers in setting up floating LNG technologies?

Mr. **Ben Wetherall**, Head of Gas, ICIS, London

Mr. **Ed Scott**, Senior COO, Excelerate Energy, Texas

Mr. **Adam G. Hedayat**, Vice President, Mediterranean, Middle East & Africa, Sea NG Corporation, Calgary

Adv. **Renelle Joffe**, Head of Energy Practice, Meitar Liguornik Geva Leshem Tal

Mr. **Niv Sarne**, Manager Business Development, Noble Energy

Professor **Toula Onoufriou**, President, Cyprus Hydrocarbons Company

Mr. **Nusret Comert**, Chairman, DAMNUS Energy & Investment, Istanbul

Mr. **Yigal Landau**, CEO, Ratio Oil Exploration

Mr. **Yossi Abu**, CEO, Delek Drilling

Dr. **Nimrod Novik**, CEO, NN-DC, former Adviser to the Prime Minister

13:30 – 14:30 Lunch

14:30 – 15:20

Development of the natural gas economy – competition and supervision

- Will there be competition in gas supply?
- Should gas prices be regulated or controlled?

Dr. **David Tadmor**, Managing Partner, Tadmor & Co.

Ms. **Orna Hozman - Bechor**, Director General Ministry of National Infrastructures, Energy & Water Resources

Professor **David Gilo**, Director-General, Israel Antitrust Authority

Adv. **Orit Farkash - HaCohen**, Chairperson of the Electricity Authority

MK **Shelly Yacimovich**, Labor Party

15:20 – 16:10

Development of the natural gas economy – risks and opportunities

- Marine plan for Israel
- How to protect the gas infrastructures?
- How to prepare for environmental hazards?

Mr. **Uri Aldubi**, Chairman, Association of Oil & Gas Industries in Israel

Adv. **Noa Yayon**, Legal Advisor SPNI

Adv. **Tommer Mayraz**, Zalul Consultant

Mr. **Yair Rubinstein**, CEO, TMNG

Captain Retired (Navy) **Yaron Zur**, Strategic Consultant, Naval Intelligence Expert, former Head of Production & Analysis Dept., Israel Naval Intelligence

16:10 – 17:15

Natural gas as a feedstock for industry – fuels, fertilizers and petrochemicals

- Production of methanol, ammonia, fertilizers and the development of a petrochemical industry - is it possible in Israel?
- Will natural gas based methanol, ethanol, gasoline and diesel be produced in Israel?
- What is the status of the tender for constructing the Ammonia plant in the Negev?
- How to cope with the natural gas pricing issue?

Moderator: Dr. **Lea Carmel Goren**, Energy Innovation and Business Development

Opening Presentation: Mr. **Uwe Zwiefelhofer**, Global Market Development, Linde AG

Mr. **David Leffler**, Director General, Ministry of Environmental Protection

Mr. **Doron Abrahami**, Director ,Environment and Sustainable Development , Ministry of Economy

Mr. **Nahum Yehoshua**, Chief Economist, Fuel and LPG Authority, Ministry of National Infrastructures, Energy and Water Resources

Mr. **Saar Shafir**, Deputy Director, Fuel Choices Initiative, Prime Minister's Office

17:15 End of day one

17:15 – 19:15

Dutch Gas Business Drinks

Network event for leading companies in the Israeli and Dutch gas industries, organized by the Embassy of the Kingdom of the Netherlands (Private event by invitation only).

Tuesday, November 4, 2014

08:00 – 09:00 Gathering, breakfast and visit to the exhibition

09:00 – 10:30

Opening plenum: Israeli technology & innovation as a value creator in the O&G industry

- Natural gas as a leverage for developing elite technology
- Technological developments in the exploration and production, communication, water and security fields

Moderator: Mr. **Gil Shaki**, Senior Director, Energy and Cleantech, Office of the Chief Scientist, Ministry of Economy

Mr. **Eldad Weiss**, Founder, Paradigm

Dr. **John Walsh**, Director of Technology, Cetco Energy Services, USA

Mr. **Ole Paulsen**, SVP strategy & operations, Front End Spectrum, Aker Solutions, Norway

Dr. **Nathan Weiss**, Senior Scientist, Elta Systems / IAI

Mr. **David Waxman**, Chairman of Water Industries, former Chairman, Nirosoft (RWL Water Israel), former CEO, IDE

Mr. **Yoav Mor**, Product Marketing Manager, Ceragon Networks

10:30 – 11:00 Coffee break and visit to the exhibition

11:00 – 12:00

**Transition to natural gas in the industry and agricultural sectors:
transmission, distribution and marketing – plans and impediments**

- Gas transmission – when will the gas arrive in Jerusalem and the onshore route be completed?
- Natural gas onshore storage infrastructure – what is required to advance storage projects?
- Why industries are not yet connected to the infrastructure?
- CNG for the industry – is it economically viable?
- Natural gas - a possible growth engine to the agricultural sector

Moderator: Adv. **Alon Gellert**, Senior Partner, Meitar Liquornik Geva Leshem Tal

Mr. **Constantine Blyuz**, Deputy Director, Natural Gas Authority, Ministry of National Infrastructures, Energy & Water Resources

Mr. **Jay Epstein**, Manager of Commerce and Business Development, Israel Natural Gas Lines

Mr. **Moshe Spitzer**, CEO, Negev Natural Gas Ltd.

Mr. **Eli Abramov**, Executive VP - Global Operations, Adama

Mr. **Shai Ezra**, CEO, Dor Alon Gas

12:00 – 12:20

The energy sector under the magnifying glass – lecture by the State Comptroller

Mr. **Josef H. Shapira**, Judge (Ret.), State Comptroller and Ombudsman Of Israel

12:20 – 13:20

Natural gas and alternative fuels for transportation

- What will the future fuel basket for transportation be and what will the fuel station look like?

- Is it possible to convert half of the Israeli vehicle fleet to operate on natural gas-based technologies?
- CNG for heavy transportation and private vehicles
- Regulatory obstacles for converting the vehicle inventory to natural gas technologies

Moderator: Dr. **Anat Bonshtien**, Technology and Regulation Manager, Fuel Choices Initiative, Prime Minister's Office

Mr. **Israel Yaniv**, CEO, Dor Alon Energy

Mr. **Chen Bar-Yosef**, Director, Oil and Gas Management, Ministry of National Infrastructure, Energy & Water Resources

Mr. **Guy Silberman**, CEO, Delek Gas, Delek the Israel Fuel Corporation

Mr. **Jonathan Gadish**, Founder & CEO, Car2Go

13:20 – 14:30 Lunch

14:30 – 14:40

Corporate responsibility in the energy sector

Adv. **Anat Moseinco**, Director, Members and Sustainability, MAALA-Business for Social Responsibility

14:40 – 15:50

Energy project finance and analysts forecasts on value of energy companies

- Assessments and forecasts of investments and financing of energy projects
- What do analysts say about share prices of leading energy companies?

Moderator: Mr. **Shimon Seroussi**, Director, Eco Energy, Strategic & Financial Consulting

Ms. **Ella Fried**, Senior Analyst, Leumi Capital Markets

Mr. **Guil Bashan**, Senior Analyst, Israel Brokerage & Investments – IBI

Mr. **Eran Yunger**, Senior Analyst, Meitav Dash Brokerage

15:50 – 17:20

Closing plenum: The future of power economy – competition, private power, and regulatory plans

- IEC, IPPs, cogeneration facilities and System Operator – what will the future power market look like?
- Power market reform - will it take place?
- Are electricity prices expected to drop and by how much?
- Gas versus coal in power generation

Major General (Res.). **Yiftach Ron-Tal**, Chairman of the IEC, Board of Directors– One-on-one discussion with **Dr. Amit Mor**

Moderator: **Dr. Amit Mor**, CEO, Eco Energy, Financial & Strategic Consulting

Adv. **Moshe Shachal**, M. Shachal Law Office, Former Minister of Energy & Infrastructure

Dr. **Yehuda Niv**, Commissioner, Electricity Administration, Ministry of National Infrastructures, Energy & Water Resources

Mr. **Yakov (Yasha) Hain**, Senior Executive Vice President, IEC

Ms. **Nurit Gal**, Director, Electricity and Regulation Division, Public Utility Authority

Mr. **Itai Eiges**, Executive Director, Forum of Natural Gas Powered Independent Power Producers (IPPs)

17:20 – 17:30

Energy vision for Israel and closing remarks

17:30 Conference adjourned

- The program is subject to changes
- Foreign speakers will speak in English
- Simultaneous translation Hebrew – English, English – Hebrew, will be available
